Monday, Tuesday, & Wednesday 10am-4pm (with 1 hour and fifteen minute lunch break picnic on New River, get to Lewis Landing Park by water-taxi)

Monday: An intensive drawing techniques seminar covering drawing the human figure and human anatomy studies. Relax, breathe, listen & draw.

7pm Dinner at Aruba's in Lauderdale-by-the-Sea

Tuesday: Sculpting a bas-relief study, sculpt a portion of Michelangelo's Battle of the Centaurs. Learn how to copy a Master from a 2-D Photograph

Wednesday morning: discuss classmates bas-relief studies and lecture on Michelangelo's poses and weight-shift construction figure to figure; afternoon continue bas-relief sculpting

Michelangelo at age 17 under the patronage of Lorenzo de' Medici sculpted Battle of the Centaurs for him self and without knowing for the world. Left intentionally or not unfinished is the technique coined as non-finito. Nilda Comas uses the non-finito technique when carving in marble. Learn from her non-finito in water-base clay. During this sculpture workshop, copy a portion of Michelangelo's work, while being engaged in the great tradition of classicism
