

# Sketches in Clay

Great sculptors like Degas, Rodin (and perhaps and yes...), Camille Claudel and keep turning the pages backwards to Michelangelos Slaves and keep going all the way to the Venus of Willendorf and what do we notice? There is a Mastery In A Sculpture Sketch. In this Outstanding 3-Day Workshop Learn How To Sketch in Clay. Nilda Comas opens the door to show you behind-the-scenes Practice demonstrations and Sculpt Along. The mystery behind the Mastery is Learn as You Go and Learn from the Best.

**CAMILLE CLAUDEL, MICHELANGELO, HENRY MOORE, PABLO PICASSO, EDGAR DEGAS**
